

C 35' SPORT COUPE

SESSIN BESTSELLER

S više od 500 modela prodanih u zadnjih deset godina, Sessa Marine se odlučila za redizajn ovog prekrasnog plovila koji će zavesti svakog Sessinog obožavatelja. Svoj savršeni dizajn i markantne linije naslijedio je od svoje starije sestre C 68. Vrhunska kvaliteta, sportski izgled, britke linije trupa i pomno odabrani materijali ovo plovilo svrstavaju u rang Jahte.

SAVRŠEN DIZAJN

Novi C 35' Sport Coupé odlikuje se prekrasnom donjom palubom s prostranim dnevnim boravkom te stražnjom i prednjom kabinom.

Inovacija interijera C 35' je ta da obje kabine imaju neovisan pristup kupaonici i kuhinji.

Savršen je za dva para koja mogu živjeti zajedno tijekom krstarenja bez ometanja privatnosti. Stražnja kabina opremljena je velikim 160 centimetarskim bračnim krevetom i prekrasno dizajniranim ormarom s ostakljenim vratima koja pridonose stvaranju osjećaja prostranosti.

INTERIJER PUN SVJETLOSTI

Poznata po svojoj osobnosti, Sessa Marine uvijek nudi nešto novo. Ovim plovilom dominiraju prekrasne svijetle teksture drveta koje daju prostoru trodimenzionalan osjećaj.

Velika pažnja na svim većim Sessinim modelima, pa tako i na C35', posvećena je kupaonici koja je opremljena odvojenom tuš kabinom.

Za one s istančanim osjećajem za lijepo, Sessa nudi dizajnersku verziju prostrane i vrlo lijepo uređene kuhinje oblika „L“ koja je izvedena u suradnji s poznatom talijanskom dizajnerskom kućom Boffi.

DIZAJN I OPREMA PO MJERI ZA KRSTARENJE

Svijetao kokpit opremljen je velikim električnim hard top-om, a pilotska konzola dizajnirana je isključivo za novi C35' Sport Coupé. Moćan i mišićav stil inspiriran automobilskom industrijom opremljen je GPS-om, EVC sistemom međupovezivanja s Volvo Penta motorom od 440 do 520 ks te upravljačkom palicom - joystickom za optimalno manevriranje u luci.

U svakom slučaju C 35' je plovilo koje neće ostati nezamijećeno.

TRANSFORMATION OF SESSA'S BESTSELLER

With the sale of over 500 models in the last 10 years, the C35' is one of the Italian brand's biggest successes. C 35' is a 100% original sport cruiser, born under the sign of modularity which will seduce all Sessa enthusiasts.

The C35' New Sport Coupè will inherit not only the C68's sculpted style and striking lines, now a reference for the new range of Sessa yachts, but also all that has made it a success: navigation quality, sporting performances, brightness and transparency, choice and originality of materials.

A PERFECTLY DESIGNED MODULAR CONCEPT

The C35' New Sport Coupè is particularly remarkable for its strikingly intelligent lower deck layout, where the boat owner can choose to live in 'open space', with a spacious living area with two cabins. The innovation is the fact that in the second set-up, the two back and forward cabins remain spacious and each has independent access both to the bathroom and the kitchen. The C35' New Sport Coupè is thus equipped to cater for two couples that can easily live together during a cruise. The back cabin has a 160 cm double bed and a large closet with mirrored doors, heightening the sensation of space.

A LUMINOUS INTERIOR - STILL VERY MUCH IN VOGUE

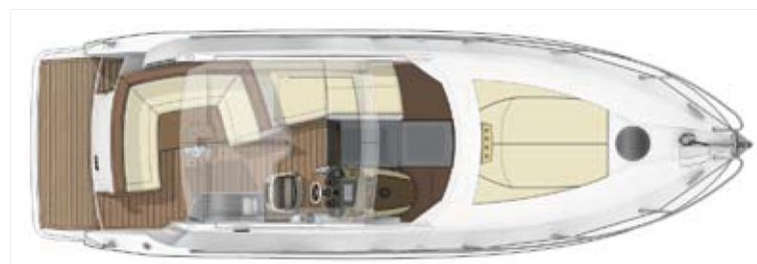

Sessa is not so much a fashion follower as a trend setter. The C35' New Sport Coupè not only incarnates the distinctive features of the new Sessa Marine range but also offers new themes including textured wood to give the interior design a tridimensional feel.

On this new model, as much attention has been given to the bathroom as on the larger models in the range, and is equipped with a separate shower cubicle.

For lovers of great finishing touches, the shipyard offers a "Design version" of the spacious and well-equipped L-shaped kitchen, designed in partnership with the well-known Italian designer and kitchen specialist Boffi.

11 METRES OF DESIGN AND EQUIPMENT TAILOR-MADE FOR CRUISING

The luminous cockpit is equipped with a large electric hard-top and a piloting console designed solely for the C35' New Sport Coupè. The latter, with a powerful, masculine style inspired by the automotive industry, is equipped with a 120 wide GPS, the EVC system interfacing to the VOLVO PENTA from 440 to 520 HP engines, and a joystick for optimum maneuverability in the port.
