

C 54' SPORT COUPE

ULTRAKOMFORNA JAHTA KOJA ODIŠE OSOBNOŠĆU

Sessa Marine predstavlja svoje novo plovilo, dugo 54 stope. Sa svojih 16 metara dužine ono izražava pravu talijansku stvaralačku snagu, znanje i iskustvo u gradnji brodova. Da bismo mogli pobliže vidjeti svu njegovu snagu i prekrasan dizajn, morat ćemo pričekati rujan 2010. i Cannes Boat Show, gdje će ovo plovilo biti predstavljeno.

VISOKE PERFORMANSE I SPORTSKI IZGLED

Novi dizajn vidljiv je već na glavnoj palubi, gdje Sessa Marine prvi put predstavlja zatvoreni „lounge“ koncept koji odiše udobnošću, profinjenošću i prostranošću.

Cilj brodogradilišta je jasan: jahti C54 dati udobnost i stil C68 koji je postigao velik uspjeh. Kombinirajući jedinstvene karakteristike visokih performansi i sportskog izgleda, Sessa Marine želi vlasniku plovila ponuditi jedinstvenost, prostranost i udobnost.

Riccardo Radice, suvlasnik Sessa Marine, ističe: „Jahta je namijenjena modernim i profinjenim klijentima koji traže udobnost tijekom cijele godine, odnosno onima koji ne pristaju na kompromis kad je riječ o estetici i stilu.“

ULTRA CHIC COMFORT AND CUTTING EDGE SPORTIVITY

With his 16 meters C 54' expressing all the Italian shipyard's creative force and proficiency. We will have to wait for the next Cannes Boat Show in September 2010. to discover and enjoy this new stroke of genius.

HIGH PERFORMANCE AND SPORTY LOOK

The tone is set as soon as you walk on the main deck, where for the first time Sessa Marine introduces the closed lounge concept into one of its open boats, plunging you into a welcoming atmosphere: comfortable, refined and spacious. The shipyard's objective is clear: to give the 54' footer the C 68's amenities and inimitable style that have made it success since its presentation last September.

Combining the unique characteristics of a high-performance and sporty open boat, Sessa Marine offers its owners a comfortable, elegant yacht with spacious layout onboard.

Riccardo Radice, co-owner Sessa Marine comments "It is intended for the modern, refined client who is looking for comfort and space on a liveaboard boat for the whole year round, making no compromises in terms of aesthetics or style".

YACHT KONCEPT I VRHUNSKA TEHNOLOGIJA

Sessa Marine jedno je od rijetkih brodogradilišta koje se može pohvaliti četvrtom generacijom brodova s IPS tehnologijom (nakon C46, C43 i Fly 54). Sessa je u mogućnosti iskoristiti prednost IPS tehnologije te to neprocjenjivo iskustvo objediniti i mudro povezati u svojim projektima.

Moderan i snažan C54 ima sav komfor koji možete poželjeti na jednoj jahti: tri kabine, uključujući vlasničku kabinu u samom srcu broda koja je vrlo svijetla, prozirna i udobna, a ima i zasebnu kupaonicu. Prostrana kuhinja na donjoj palubi povezana je s gornjom palubom, gdje se nalazi veliki stol za osam osoba, bar te klupa pretvorila u veliko sunčalište, gdje svjetlost dopire kroz velike staklene površine karakteristične za novije Sessine modele. Ne smijemo izostaviti ni prostor za roštilj u kokpitu, hidraulični krmeni most i kabinu za posadu, koja ujedno može biti i rezervna kabina za goste.

C54 ističe se neobično britkim i upadljivim linijama trupa. Posebnost eksterijera i profinjenost interijera stvaraju sklad unutar kojega svaki detalj pronalazi svoje mjesto i pretvara vožnju u pravi užitek.

Sessa Marine nudi mogućnost uranjanja u svijet avanture protkane elegancijom.

Ova jahta idealna je za zaljubljenike u more koji žele što više vremena provesti na brodu.

C54 je brod kojemu je teško odoljeti čak i izvan sezone!

YACHT CONCEPT AND HIGH TECHNOLOGY

One of the rare shipyards already able to boast its 4th generation of boats developed for IPS (following the C 46', C 43' and the Fly 54'), Sessa has been able to take advantage of this valuable experience to optimize this technology on the C 54' to the full and incorporate judicious use of volumes.

Stylish and powerful, the C 54' has all the comforts one would expect on a yacht: 3 cabins including the owner cabin at the centre of the boat, bright and comfortable with a separate bathroom; a spacious galley on the lower deck, entirely freeing the upper deck which, with its 8 guest table, bar, divan convertible into a large sun bath and its glass door, becomes a genuine haven for life and relaxation, in summer and winter. Let's not forget the BBQ area behind the cockpit, the hydraulic stern bridge or the crew cabin which is welcoming enough to become a backup guest cabin, and all the details that give the C54 its mark of prestige.

The C 54' provides the essentials of an incisive and striking design. A streamlined exterior and a smart, modern interior make for an uncluttered atmosphere where each subtle detail has its place, becoming essential for turning every trip into a true life experience.

With the C 54', Sessa Marine gives you the opportunity to dive into a sporting universe without losing a single particle of the elegance associated with the brand. This open yacht will be perfect for the sea-loving boat owner. The pleasure and desire to spend as much time as possible on the boat will be hard to resist, even out of season!
