

## Prvi korak prema svijetu Key Largo

### The first step towards a Key Largo world

Sessa Marine predstavila je u listopadu na Genoa Boat Showu malo iznenađenje: novo, zadivljujuće i zanimljivo plovilo dugo 18 stopa – Key Largo One. Ovaj moderan gliser svojevrsno je odavanje priznanja modelu Key Largo 18, koji je bio hit u 90-im godinama i prodan u više od tisuću primjeraka.

Osnovne karakteristike novog Key Larga One očituju se u inovativnoj konzoli, širokoj palubi i podesivom sjedalu vozača.

Sjedalo je podesivo na potpuno nov i funkcionalan način. Nezaobilazan je i okrugli stol u kokpitu, kao i prednje sunčalište, te dovoljan broj pretnaca za odlaganje stvari.

Među raznim opcijama i dodatnim varijacijama dostupna je praktična bimini tenda, koja se može spremirati u posebnom udubljenju bez remećenja komfora i zauzimanja prostora na plovilu.

Tu je još i 42-litreni mini bar i GPS za sigurnije putovanje. Za dodatnu zabavu na brodu postoji kvalitetan audio sustav, te prostor za spremanje ribolovnih štapova i skija za vodu. Key Largo One idealan je za obiteljske izlete ili kratka, zabavna putovanja s prijateljima.

Stvoren je da bi impresionirao!

Amongst the new yachts at exposed on Genoa Boat Shows 2010, Sessa Marine has in store a "little surprise, an 18 feet pleasure boat, captivating and interesting: the Key Largo One. This new boat is a compact and stylish runabout which is a tribute to another one of Sessa's successes, the Key Largo 18, that in the 90's produced and sold over a thousand copies.

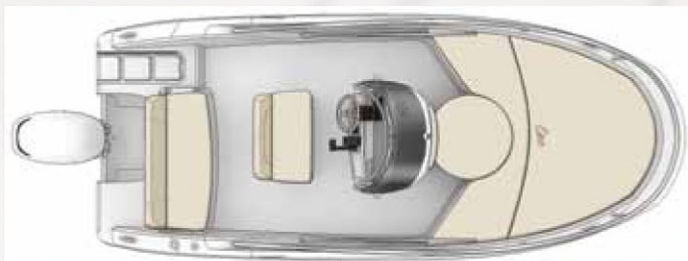

The boat's main characteristics are the innovative console, wide deck and adjustable driver's seat, in a completely innovative way: the seat's back comes down towards the driver's spot and the front opens toward the stern.

There is also a comfortable seat at the stern and a wide sun bed at the bow. Not to forget, the wide peaks that allow the stowage of onboard equipment. Amongst the different options available there is the stylish canopy, which can be put aside in a special recess, without disturbing the space onboard.

The 42-liter mini bar and a GPS for a safer journey. Instead, for fun on board there is a stereo, storage space for fishing rods and for water skis. It is ideal for family excursions or fun small journeys with friends.

The New Key Largo ONE is created to impress!
