

# Key Largo 24'

## Maleni koji se natječe sa velikima A little champion that takes on the big boys

Key Largo je danas sinonim za plovila Open linije visoke kvalitete i prepoznatljivog stila.

Idealan predstavnik osnovnih smjernica produkcije Sessa Marine u ovom segmentu je model Key Largo 24. Može se reći da je ovaj brod pobjednik u „lakoj kategoriji“ plovila, trenutno zastupljenoj u svijetu nautike.

Isklesan i robusan kao pravi sportaš Key Largo 24 zadivljuje svojim izgledom.

Dovoljno je navesti prednje sunčalište i kabinu koja je zaista prostrana sa ormarićem predviđenim za hladnjak od 42 l, bračnim krevetom i prostorom za električni protočni wc. Sjedala u kokpitu su podesiva, te prema želji mogu postati jedan pravi salon.

U kokpitu se nalazi i praktičan tehnički prostor za odlaganje nautičkog pribora.

Apsolutni hit ovog modela je i velika pomična bimini tenda, koja je vrlo jednostavna za montiranje i pomicanje.

Zanimljiva je i sportska komandna ploča obojena u nextel sa svim potrebnim instrumentima za vanbrodski motor, radio CD uređajem ugrađenim u konzoli i pripremom za GPS.

Key Largo is already synonymous with open boats of high quality and a special style which represent the main characteristics of entire Key Largo range. One of the best representatives of this segment is model Key Largo 24.

It can be said that this ship is a champion of the light weight division, currently placed on the nautical market. Sculptured and robust like a champion sportsman who lets you admire his well defined muscles. It is enough to see the spacious sun-deck at the prow, complemented with a chaise longue in the cockpit area. The cabin with its mobile bar is set up for a 42 l refrigerator, double bed and place for a foldaway electric WC. The seating in the bridge area can be reconfigured, and can become a real dining area. Still on the bridge, there is an extremely practical technical area for storing marine equipment and the vessel's ropes.

An absolute hit of this model is the large foldaway canopy, which is easy to erect and just as easy to remove, and which raises to the nth power the varied possibilities for using this new jewel from Sessa Marine. The instrument panel, painted in Nextel, is very interesting and sporty, with complete instrumentation for an outboard motor, CD and radio, and provision for GPS.

The hull is one of the strong points in the development of this project: the breakwater lines are designed to support en-

Trup broda je jedna od najjačih točaka razvoja ovog projekta: vodena linija je projektirana za podržavanje snage i do 250 KS sa apsolutnim komforom i nježnošću u dodiru s valom.

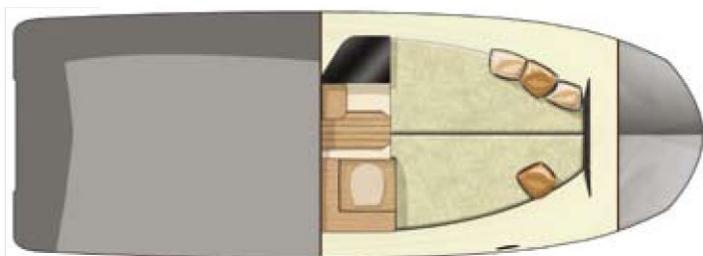

Kompleksne linije, kao i uvijek u Sessa Marine njegovane su radom sa gelcoatom. Isto tako, valja napomenuti boje trupa: netipično „nautičke” - koraljno crvena, okra i brončana.

Key Largo 24 bogato je opremljen serijskom opremom. Tako u seriji dolaze: hidrauličko upravljanje, volan u koži, spremnik za gorivo od 270 l i tuš sa rezervarom, teakov pod u kabini, a sve to kako bi se ovo maleno plovilo moglo natjecati sa velikima.

gine power up to 250 hp with absolute comfort and a soft impact on waves.

As always with Sessa Marine, the craftsman like working of the glass fiber is easily recognizable thanks to the complexity of the lines and the molding. Also, it should be note a color schemes for the hull breaking the “nautical” clichés with coral, ochre and bronze liveries.

A little boat that dares to take on the big boys is naturally well endowed when it comes to standard features: a hydraulic winch, a 270 l fuel tank, an extendable shower with its own water tank, and electrical cabling ready in advance for any subsequent installations of equipment.

TEHNIČKI PODACI / TECHNICAL SPECIFICATIONS	
DUŽINA PREKO CIJELOG BRODA / LOA	6,90 m
ŠIRINA / BEAM	2,50 m
TEŽINA BEZ MOTORA / WEIGHT WITHOUT ENGINE	1400 kg
BROJ OSOBA / PERSONS CAPACITY	8
MAX SNAGA MOTORA / MAX ENGINE POWER	250/184 Hp/Kw
SPREMNIK GORIVA / FUEL TANK	270 l
SPREMNIK VODE / WATER TANK	45 l
KATEGORIJA GRADNJE / PROJECT CATEGORY	B
DESIGN	Christian Grande
