

Key Largo 20

6 M DUGAČKO PLOVILO STVORENO ZA JEDNODNEVNE IZLETE
- SAVRŠEN ZA PAROVE I OBITELJI S DJECOM

A PRACTICAL AND DIVERTING 6 M BOAT - THE PERFECT MEASURE FOR DAILY COUPLE OR FAMILY CRUISES

Ugodno društvo, praktično i vrlo atraktivno plovilo spre-mno za zabavu i jednodnevne izlete pronaći ćete u Ses-sinom modelu Key Largo 20. Ovo plovilo nudi dovoljno prostora za sanjarenje na prostranom sunčalištu,a ukoliko imate djecu ni prostora za igru ne manjka.

Velika pozornost posvećena je detaljima. Pogled vas vodi do središnjeg dijela plovila u kojem su smještena sjedala za vozača i suvozača, te upravljačka konzola na kojoj je smještena ploča sa instrumentima i kvalitetan i vrlo dobro pozicioniran volan. Odvojena sjedala omogućuju potpunu udobnost i funkcionalnost; upravo njihovim zakretanjem prema krmenoj sofi i montažom stolića od tikovine stvara se udoban salon za ručanje ili aperitiv.

Liniju plovila zaokružuju bokovi plovila koji su lagano uzdi-gnuti, a čvrsta ograda prekinuta je samo na krmi radi jed-nostavnijeg silaska s plovila. Praktičan i inteligentan sustav pospremanja ljestava za u njih predviđenu udubinu na krmi samo je još jedan u nizu detalja koji pridonosi potpunoj estet-skoj formi. Posebnost ovog plovila čini i velik broj skrivenih pretinaca koji omogućuju stvaranje savršenog reda i organi-zacije na tako malo prostora.

To have a company you need a comfortable and practi-cal boat of attractive appearance, ready for diverting daily cruises. This is what Key Largo 20 definitely has: enough space; deck to enjoy the sunbathing or fancy; if there are kids they have enough place to play.

Great attention is dedicated to details. The first thing you see are the seats in the center of the boat, and a center console of high aesthetic and functional level. The steering wheel is good positioned, and the centre console is very nice. Sep-a-rate seats contribute to comfort and functionality; by simply rotating the seats towards the deck sofa and putting a teak table you get a cosy lounge suitable to dine or have an appetizer.

The line is defined with slightly risen sides, and a stable rail discontinues only at the stern to enable descent. A practi-cal and intelligent system of storing the ladders into a niche at stern is only one of many details that makes the aesthetic form complete.The specific feature of the boat is a number of storage places that help to keep the perfect organization and tidiness of the rather small space.

INTERIJER

Iako kabina nije visoka, bračni krevet dovoljno je prostiran za dvije osobe. Ne smijemo zaboraviti da se radi o plovilu dugačkom svega 6 m. Trud tvornice na ovom plovilu vidljiv je u svakom detalju; igra svijetlim i tamnim detaljima upotpunjena je dvjema bočnim oknjima koja se mogu otvoriti za lakši ulazak zraka i svjetlosti, dok stilizirane noćne lampice stvaraju dojam topline prave spavaće sobe. Na samom ulazu u kabinu nalazi se spremište s poklopcom u kojega je moguće spremiti osobne stvari, ili pak ugraditi el.wc. Krstarenje od nekoliko dana na ovom plovilu sasvim je moguće jer ne ostavlja dojam skučenosti za plovilo ove dužine.

U PLOVIDBI

Key Largo 20 opremljen je sportskim i laganim YAMAHA F115AETL motorom koji je na minimumu gotovo nečujan. Kod 3500 okretaja, pritisak naglo raste, zvuk motora i dalje ostaje tih, a razgovor nesmetan. Pri većim okretajima do izražaja dolazi pravi karakter motora; nevjerojatna snaga i beznajčajna potrošnja bez vidljivog znaka opterećenja. I kod brzine od preko 30 čvorova ovo plovilo ostaje stabilno i jednostavno za upravljanje.

INTERIER

Although the cabin is not high, the double bed is comfortable for two people. We must bear in mind this is a 6m long boat. The hard work of the shipyard is visible in every detail: the alternation of light and dark details is rounded by two side windows that can be opened to let in the air and light, and by the stylized night lamps that create the worm atmosphere of a real bedroom. At the entrance, there is a big storage place with top cover where you can put some personal items or build in a high quality toilet. While we sit on the bed we do not feel uneasiness, therefore few days cruising would be absolutely possible.

NAVIGATION

The Key Largo 20 is equipped with new YAMAHA F115AETL outboard which is very sporty and light, almost noiseless at minimum. Up to 3500 rpm, the pressure rises, sound stays quiet and conversation undisturbed. At higher rpm the engine shows his real character, incredible power, with no significant increase in consumption, and with no visible sign of effort. At the highest speed the Key Largo 20 becomes very amusing, GPS records the speed over 30 knots, while the boat stays stable and easy to manage.
