KEY LARGO ONE

Key Largo One novo je najmanje plovilo u Sessinoj obitelji. Dragulj od 18 stopa s impresivnim karakteristikama nove Key Largo linije kreiran je po uzoru na Key Largo 20 i Key Largo 24. Ističe se kompaktnom središnjom konzolom, bimini tendom koja se može uvući, frižiderom, konvertibilnim pilot sjedištem i stolićem za objedovanje, te živopisno obojenim trupom. Ovaj model pokretat će vanbrodski motor od 40 do 115 KS.

Prilikom njegovog kreiranja Sessin dizajnerski tim oslonio se na uspješan model s početka 90-ih - Sessa Key Largo 18. Taj je model bio hit s više od 1000 prodanih primjeraka, te se s pravom očekuje velika popularnost i ovog novog mališana iznimnih performansi. Key Largo One sa svojim gracioznim i finim linijama trupa može se opisati kao kompaktno i stilizirano plovilo stvoreno za uživanje. Premijerno predstavljanje ovog modela bit će na Cannes Boat Show-u, Cannes, Francuska od 10. do 13. rujna 2010.

New Key Largo One is the smallest vessel of Sessa Marine gamma. Jewel of 18 feet with impressive new features of Key Largo range is created based on models Key Largo 20 and 24. Slim line, sculpted and colourful hull, extra-compact centre console, retractable bimini, fridge, convertible pilot seat and coffee table are some of its features which will point it out among the competition. During its creation, the designers relied on the successful model from the beginning of the nineties - Sessa Key Largo 18. This vessel was hit in the 90's, sold in over a 1000 copies. That's why a great popularity of this new kid with exceptional performance can be expected.
